The New Game Law.

The following provisions of Kentucky's new game law should be borne in mind:

Rabbits and Squirrels—It is unlawful to kill or pursue with intent to kill, or to have in possession when killed any rabbit or squirrel between the fifteenth of September and the fifteenth of November.

Wild Turkeys, Pheasants, Grouse, Partridges—It is unlawful at any time to buy, sell, expose for sale, offer for sale, or have in possession for the purpose of bartering, or selling any of the above birds which have been killed in Kentucky.

It is unlawful for any person to transport any of the above birds, or receive them for transportation, or have them in possession with intent to transport them, or secure the transportation of them, within or without the State.

But a hunter with his game lawfully killed by him within the State may be transported.

3. The penalty for violation of this law is a fine of not less than \$10 nor more than \$25 for a first offense, and not less than \$25 nor more than \$50 for any subsequent offense.

Compulsory Education.

The last Legislature enacted a law governing all first, second, third and fourth class towns regarding compulsory education. All children living within the bounds of said towns between the ages of seven and fourteen years are compelled to attend some public or private school, unless some reasonable excuse can be given. Parents failing to see that their children comply with this law will be fined from \$5 to \$20 for the first offense and from \$10 to \$50 for each subsequent offense. The law also provides that the Board of Education governing these towns shall elect a truant officer whose duty it shall be to keep daily record of the children who do not attend school and report same to the school board or to the superintendent each day.

Fine Bourbon County

STOCK FARM FOR SALE.

As Administrator of G. G. White, deceased, and agent for his heirs, I will, at 11:30 o'clock a. m., on

Monday, September 5th, 1904,

offer at public sale, in front of the Court-House, in Paris, Ky., the fine Bourbon County farm known as the Gilt Edge Stock Farm, the property of the late G. G. White, situated on the Paris & North Middletown Turnpike, near the City limits of Paris, and containing 547½ acres of land.

This is a No. 1 Bourbon County farm. It is all under cultivation except about 150 acres of virgin soil, which is heavily set in bluegrass, making splendid grazing and is unexcelled for tobacco.

Plenty of stock water in dryest season. Has benefit of creek boundary, but no creek included in survey. No part of farm overflows. Creek line furnishes unailing stock water and saves fencing.

The farm residence is one of the best in Bourbon County, being a large 2½ story brick house, colonial in style, with front veranda supported by massive columns which rise to the eaves of the house. Rooms and halls spacious and well lighted. Cellars, large, light and dry. Interior finish largely in hard wood.

Two first class cisterns at residence, and all necessary outhouses.

Splendid stock barn with large number of box stalls, and good training track. Paddocks with good stallion stables adjoining barn, and an inexhaustible artesian well at the barn door. Everything in fact for a first-class stock farm.

ALSO, A GOOD TWO-STORY FRAME RESIDENCE

of 6 rooms and front and back porches. The Paris Distillery Company has for years past paid \$300.00 per year for privilege of pumping water from Stoner Creek, and \$300.00 per year for depositing offal from cattle pens in the natural basin near the Distillery. The purchaser can probably continue these privileges—either or both—indefinitely, adding \$300.00 to annual income from the farm.

This farm is well suited for the large handling of cattle because of proximity of distillery.

I will first offer the farm in two parts and then as a whole, reserving the right to accept or reject any bid.

Division No. 1 contains 271.93 acres, including the brick residence, stock barn, track, and all adjacent improvements, and fronts on the North Middletown pike and extends back to Stoner Creek, and is bounded on one side by G. W. Wyatt, and on the other side by Division No. 2. This tract contains the natural basins in which the distillery deposits offal from cattle pens, paying \$300.00 annually for the privilege.

Division No. 2 contains 276.70 acres, bounded by the Distillery property on the North, by the Maysville railroad and Stoner Creek on the West, by Stoner Creek on the South, and by Division No. 1 and Stoner Creek on the East. The frame residence is on this tract, and the Distillery Company pays \$300.00 per annum for the privilege of pumping water over this tract from Stoner Creek—an income of \$300 per year without injury to the land.

The surveyor's field notes and plat of entire farm and of the above two Divisions may be seen at the Citizens Bank in Paris, Ky.

In event of the farm selling in the above two divisions the right to use the passway from Division No. 2 over the land of Mrs. Frank Fithian out to the Maysville pike, opposite the G. G. White Distillery, in East Paris, will be included in conveyance of Division No. 2.

Purchaser has privilege of seeding the coming fall, and full possession given March 1, 1905.

TERMS—One third cash on March 1, 1905, when deed is made; one-third March 1, 1906; one-third March 1, 1907—deferred payments to bear 6 per cent. interest from March 1, 1905.

The purchaser will not be required to give security for the deferred payments but will be required to give security for the first payment due March 1, 1905, and his notes without surety for the deferred payments, to secure which a lien will be reserved in the deed. Purchaser may pay more than one-third of the purchase money if preferred.

For further information call on or address the undersigned in Paris, Ky.
